2019 OPEN ENROLLMENT PACKET

Each year the City's medical, dental and vision insurance providers establish a period of time, Open Enrollment, in which employees are invited to change enrollment status and add coverages minus the mandated qualified event standards. This year, Open Enrollment will be held through October 31, 2018.

The annual open enrollment packet is now available online and provides regular, and supplemental insurance options available to you, as a permanent part-time employee of the City of Lock Haven. *If you have no need to make a change, there is nothing you need to do.* You may access the open enrollment packet to view coverage options available to you at:

www.lockhavenpa.gov/government/manager/personnel/opene

The options available for you to consider (if not already enrolled) are:

- AllState Accident Insurance (Similar to AFLAC, provides benefits paid directly to you that correspond with treatment for on- and off-the-job accidental injuries)
- AllState Disability Insurance (pays the difference between wages and workers compensation)
- AllState Cancer Insurance (Benefits paid in addition to any other insurance coverage for cancer and 20 other specified diseases)
- AllState Supplemental Health Options Policy (SHOP) (Benefit paid directly to you when hospitalized or when undergoing ambulatory surgery)
- AllState Universal Life (in addition to your city-provided Madison Life Insurance)

Please review the information and if you decide to enroll in a new program, please contact Dianna Durrwachter to complete the required enrollment forms no later than October 31, 2018. **Any changes made will become effective on January 1, 2018.**

If you have any questions, email Dianna at ddurrwachter@lockhavenpa.gov or call (570) 893-5901.

With thanks,

Gregory Wilson, City Manager
