

LOCK HAVEN COVID-19 DAILY INCIDENCE REPORT

July 9, 2021 marks 13 days in a row with no new cases of COVID-19 reported in Clinton County, including the zip code of the City of Lock Haven.

All zip codes within the county currently have a 7-day positivity of 0.0% and all but the City of Lock Haven have a 14-day incidence rate of 0 per 100,000. The city is expected to enter that category on July 10, 2021 barring any new cases reported on July 10.

This is the first time since county-level reporting began on April 6, 2021, and at zip code level on April 18, 2021 that both the city and county have returned to a status of being “COVID-Free.”

Daily reporting of this information will be suspended until the incidence rate or positivity rate were to return to a “high” level.
