

City of Lock Haven Public Notice

Notice of Concrete Work and Upcoming Paving Project

The City of Lock Haven would like to inform its residents that concrete work has commenced as of Monday, August 7th, 2023. The contracted firm, Big Rock Paving, LLC, has initiated the construction of ADA compliant ramps to enhance accessibility within the community.

Concrete Work Schedule: Commencement Date: Monday, August 7th, 2023

Additionally, we would like to notify the community that paving work is scheduled to take place on E Bald Eagle Street and Race Street. The paving work is anticipated to begin during the week of August 21-25, 2023. During this period, some vehicular delays are to be expected as necessary measures are taken to ensure a smooth and efficient paving process.

Paving Work Schedule & Project Details: Week of August 21-25, 2023

Sections to be Paved:

- E Bald Eagle Street between Hanna Street and Mary's Alley (closest to the Jay Street bridge)
- Race Street between E Main Street and E Bald Eagle Street

The City of Lock Haven is delighted to share that this project has been made possible through the generous funding awarded by the Community Development Block Grant (CDBG) program. This initiative aims to improve the quality of our streets and enhance overall accessibility and convenience for all residents.

Stay Informed:

Residents are encouraged to stay informed about the progress of this important community project. You can sign up for project notifications (when the paving will begin, alternate routes, and off-street parking reminders) by visiting Lock Haven's civil space page dedicated to the "E Bald Eagle Street & Race Street Paving Project."
